

Sustainability Policy Statement

At Sandfire we recognise that we are part of a global community. As part of this community, we are committed to operating our business in a sustainable manner that ensures our people are safe and well supported, local communities prosper and the environment protected for the benefit of all current and future generations.

Sandfire is committed to:

- Promoting a safe, healthy and inclusive culture;
- Never compromising on the safety and well-being of our personnel;
- Delivering superior value and returns to shareholders;
- Ensuring the safe storage, handling and transport of our materials and products;
- Encouraging innovation in the discovery, extraction and processing of mineral resources;
- Dealing ethically, fairly and equitably with stakeholders;
- Meeting or exceeding our statutory requirements, commitments and obligations;
- Achieving continuous improvement in the management of our risks and opportunities;
- Engaging with our stakeholders to build enduring, long term relationships;
- Contributing to the communities where we operate by supporting local initiatives; and
- Reducing our carbon footprint by actively pursuing opportunities to increase energy efficiency across all aspects of our operations.
