

# Scholarship Selection Criteria

## *Lou Christie Scholarship Program*

Applicants for the Lou Christie Scholarship Program must complete the required application form and attached questionnaire found [here](#). Completed applications are to be sent to [Scholarships@sandfire.com.au](mailto:Scholarships@sandfire.com.au).

The applicants will be shortlisted based on how well their answers meet Sandfire's selection criteria.

### Selection criteria

Successful applicants for the Lou Christie Scholarship Program must demonstrate the following:

- Able to produce an academic record relevant to the field of geology and exploration;
- Have a keen interest in exploration, and
- Demonstrate their understanding of the importance of mineral exploration in Australia.

Applicants who can demonstrate any of the following will be favoured:

- Completion of volunteer work over the past 12 months;
- From an Aboriginal background or reside in a remote area; or
- Are applying for a practical experience based request or to attend a Sandfire project.

A shortlist of the top 10 applicants will be presented to the selection panel for review.

Date of adoption: January 2019

Date of next review: January 2020
